## ACTIVITIES AND LEADERSHIP

---

### IEEE Bennett University Student Branch

Chairperson 08/2021 – Present

- Hosted events, workshops, webinars, and hackathons for university students and built a community of students for overall development. During my tenure, we initiated, IEEE Women in Engineering affinity group for Bennett University.

### Coding Ninjas

Campus Ninja 06/2021 – 12/2021

- To promote Coding Culture and emphasize gender equality in tech culture in our university. Ameliorating skills, knowledge, and curating innovations among peers.

## ACHIEVEMENTS AND VOLUNTEER EXPERIENCE

---

### GitHub Field Day 2021

September 2021

- GitHub Field Day is the first regional unconference for leaders of technical student communities held in India in 2021 and I was selected among the 160 community student leaders in whole India.

### Harvard Project for Asian and International Relations (HPAIR)

Delegate 07/2021 – 08/2021

- The conference provided me with an opportunity to listen to some of the top leaders of the world and inculcate their words of motivation into my daily life. Also, it gave me a platform to meet and connect with fellow delegates from across the globe.

### Zenevia – Bennett University Tech Fest

02/2021 – 04/2021

- Contributed to Zenevia - YouTube channel by making my own City Tour YouTube Video and taken interviews of dignitaries like Dr. Ramanan Ramanathan sir, Dr. Srinivas Mohan, etc. Additionally, hosted events.
